

ADVANCING CONNECTED CARE™

Hillrom™

CONNECTION

Every day the right connections can be the difference between decline and recovery.

At Hillrom, we believe in the power of connection. It's what drives us to give you:

A COMMITMENT TO DRIVING INNOVATION

For over 100 years, we've provided care teams with increasingly intelligent, connected solutions across all care settings.

GLOBAL SUPPORT THAT UNDERSTANDS YOUR NEEDS

More than 10,000 employees in over 100 countries are ready to partner with you.

A UNIFIED TEAM WITH A SINGULAR PURPOSE

We've welcomed Welch Allyn, Trumpf Medical, Voalte and more into our family to help enable accurate diagnoses, earlier intervention and faster recovery times.

It all comes together for one simple goal: **enhancing outcomes for patients and caregivers.**

SEE HOW WE'RE ADVANCING
CONNECTED CARE.™

EVERYWHERE THERE IS CARE, WE ARE THERE

We provide care teams with timely data and actionable insights—whether it's in the doctor's office, the hospital or the home.

Enabling earlier diagnosis and treatment

- Detect vision disorders in children early
- Improve annual diabetic retinal exam compliance
- Accurately screen for and diagnose cardiac conditions

Accelerating patient recovery

- Reduce hospital length of stay
- Detect patient deterioration earlier
- Reduce pressure injuries

Simplifying clinical communications and collaboration

- Improve clinical communications to help enhance patient safety and satisfaction
- Help prevent documentation errors and reduce cognitive burden

Optimizing surgical efficiency and safety

- Improve OR efficiency
- Maximize your team's surgical capabilities
- Keep patients and caregivers safe

Shifting care closer to home

- Take respiratory therapy mobile
- Measure compliance during airway clearance therapy
- Help diagnose and manage chronic conditions, such as hypertension

GET READY TO DELIVER CARE AT THE RIGHT MOMENT.

PURPOSEFUL CONNECTIVITY. ACTIONABLE DATA.

Each of our devices has something to say when it comes to patient care—now you can listen.

The Hillrom™ Connected Care Platform enables interoperability between devices, and across primary, acute and home care settings, to help caregivers convert meaningful data into actionable insights that enhance outcomes.

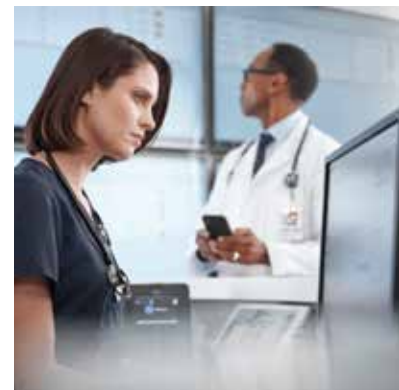

SMART DEVICES ACROSS CARE SETTINGS

Our intelligent and connected devices capture patient data across care settings.

STREAMLINED INTEROPERABILITY INFRASTRUCTURE

Patient data is transmitted securely from multiple devices and prepared for clinical analytics.

DECISION SUPPORT & ANALYTICS

Dynamic changes in patient data are translated into actionable insights to help guide clinical decisions.

SIMPLIFIED CLINICAL COMMUNICATIONS

Near real-time insights are delivered to the right caregiver at the right time to improve patient outcomes, safety and satisfaction.

THE RIGHT SOLUTIONS ARE WAITING. >>>

Hillrom™

ABOUT HILLROM

Hillrom is a global medical technology leader whose 10,000 employees have a single purpose: enhancing outcomes for patients and their caregivers by advancing connected care. Around the world, our innovations touch over 7 million patients each day. They help enable earlier diagnosis and treatment, optimize surgical efficiency and accelerate patient recovery while simplifying clinical communication and shifting care closer to home. We make these outcomes possible through connected smart beds, patient lifts, patient assessment and monitoring technologies, caregiver collaboration tools, respiratory care devices, advanced operating room equipment and more, delivering actionable, real-time insights at the point of care.
